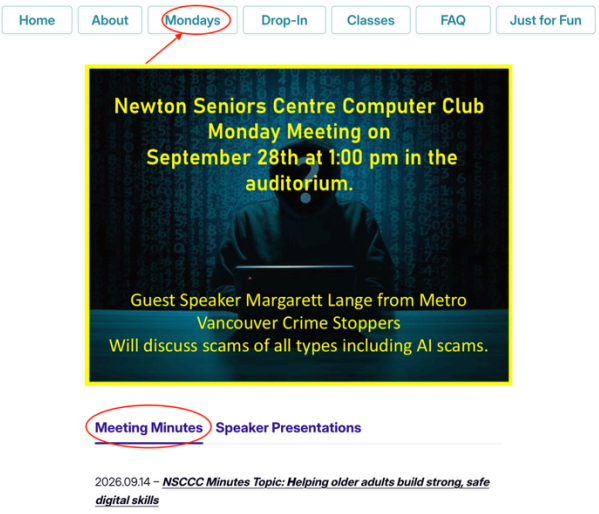
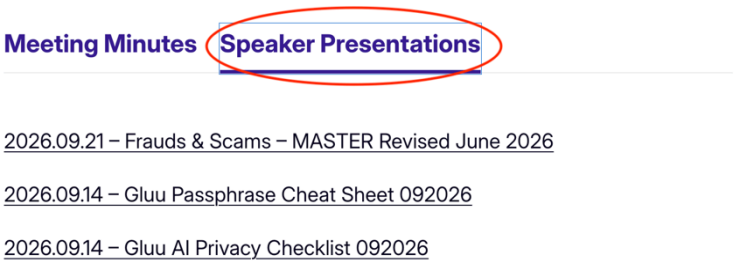
Seniors helping seniors navigate the digital world





- For those of you that know Betty St Pierre she has let us know that she won't be coming to the meetings anytime soon due to health issue. She allowed me to share this with you because she wants positive vibes and prayers. And she said to please say hello to her friends from the past 10 years of being a member here.
- Saturday November 14th, there's a health and wellness forum hosted by the city of Surrey at Newton Senior Centre. Lunch is provided. Registration is required and can be done at the front desk. The club will have a table.
- Victor talked about his course, Windows 11 Basic. The idea of this course is slowly you become comfortable enough with your equipment, you won't be a genius coming up because it's a 10 week course, slow paced. A class with 4 or 5 students which is easier to do one on one instruction with you. And I'm going to talk to you about passwords. People have a tendency to leave, let your machine save your passwords? And then when you say your machine has to get cleaned up, because of the problem, your passwords are no longer on your computer. It's gonna start on October the 13th morning and it runs for 10 weeks till December the 15th.

- Apple store offers 1 hour free class if anyone is interested but need to sign up first. Vicci will get a date and let everyone know, it will be on Tuesday mornings from 10:30 – 12.

- The club currently needs volunteers. Vicci is the president, Joan vice president, secretary is vacant but the task has been shared between Gerry and Athena, Gerry is the registrar, Angus education, chairs Joan and webmaster Athena.

- We are closed for Thanksgiving.

- Vicci & Gerry will be away after Thanksgiving break. Joan will be chairing the meetings, Gail will be doing the registrar & secretary job.

- October 19th, we've got Adam coming from the Newton library. October 26th, we've got Jerry coming from Colverdale computer club doing a presentation. Please make sure to check in at the back with Gail when you come in.

- Vicci will send a questionnaire for everyone to let the club know what you want and what you use? What apps do you use, etc.? You just say Yes or No or fill it out and just email it back.

- At 2:30 pm we adjourned.
