# Want to upgrade account?

- can do at any time
- just pay difference

# “Creator” vs. “Starter”

- + \$20.
- 100 GB storage vs. 10 GB
- 20 minute videos vs. 10 minutes

# “Professional” vs. “Creator”

- + \$60.
- unlimited storage vs. 100 GB
- unlimited length vs. 20 minutes

# General Rules

1. final video < 20 minutes
2. individual clips < 30 seconds
3. use only 3 or 4 transitions

# Video Editor Interfaces

- viewing window in upper screen
- strip of video clips at bottom
- transitions between video clips
- audio below video clips

# Steps to edit Video

1. “import” video clips
2. arrange clips to tell a story
3. trim video clips
4. insert transitions
5. **audio** *(as is, or replace with music or narration)*
6. “render” finished video
